## BAY HIGH NEWS PARAGRAPHS

### HOMECOMING

The Bay High Homecoming, Friday, October 26, was a most enjoyable event with one of the largest crowds of graduates that ever attended a homecoming at the school.

The activities began with the football game at St. Stanislaus stadium between the Bay High and Lumberton teams. In spite of the fact that the Tigers were on the short end of the score, all the graduates had a wonderful time greeting old friends on a familiar stopping ground and recalling experiences of by-gone days. At half time the grads were greeted by a colorful formation presented by Miss Bearden's physical education girls as they spelled out "Hello Grads" across the entire length of the football field, while the Bay High band played under the direction of Mr. James Brent. The half time program was climaxed with the crowning of the Homecoming queen, Helen Ruth Moran, by the football team captain, John Ginn. The maids were Mary Lou Sciana, escorted by Louis Bearden; Shirley Davis, escorted by Gerald Coludovich; Clare Carr, escorted by "Buck" Parker, and Janet Ireland, escorted by Herman Follis.

The Homecoming celebration ended with a dance in the Bay High gym for which Kramer's orchestra provided the music. The gym had been colorfully decorated under the supervision of Miss Hilda Bearden. A feature of the decorations was a huge tiger in the North end of the gym painted by Jerry Bienville. At intermission time Tedo Thomas, president of the Boosters' Club, checked the attendance of members of the graduating classes back into the 1920's.

Mrs. Elder Sellier of the Class of 1926 was the "oldest" grad present. She is the mother of three members of the Bay High football team, Lionel, Granison, and Kent (about 575 pounds of tiger). The class of 1950 had the highest percent of attendance and was awarded a trophy. This trophy will be awarded each year in the future to the class with the highest percent of attendance at homecoming.

### RESULTS OF CRUSADE FOR FREEDOM DRIVE

Our first drive of the school year was completed last week, when the proceeds and a long list of names were turned over to Mr. Homer Gregory, Hancock County Chairman of the Crusade for Freedom drive. The total amount contributed by students of Bay High, Taylor and Webb schools was \$27.83. The Seniors led with a donation of \$5.92. The Juniors came in as a close second with \$5.01. The fifth grade led the Elementary Department with \$3.50. We feel that we have done our very small part in piercing the Iron Curtain.

### SCIENCE CLUB

The Science Club met on October 19. The meeting was called for the purpose of electing officers. Those elected were Lionel Sellier, president; Herman Poillon, vice-president; June Breath, secretary; Robert (Lizy) Carr, treasurer; Myles Dale Favre, reporter.

A special committee was appointed by the president to help Mrs. Vaughn, the sponsor, to select speakers, films, and other things pertaining to science. Those elected were Shirley Davis, June Breath, and Myles Dale Favre.

The Science Club will meet on Friday, of the first and third week of the school month.

### BAY HIGH BAND PARADES IN GULFPORT

This morning the Bay High Band took part in the parade in connection with the Stennis-Corner Day celebration. The fifteen block parade was made up of bands from the coast and the coast officials, Senator Stennis and Congressman Corner held the place of honor in the parade.

### BAY HIGH TO PUBLISH ANNUAL

The Bay High Senior class will sponsor an annual. The staff will be under the direction of Mrs. Norman E. Hall, Senior Sponsor.

The annual will contain pictures of the members of the high school classes, the faculty, various organizations and class officers. There will be a lovely section in which girls chosen by the students will represent their classes.

The year book will be published by the Hancock Publishing House, which has published annuals for Bay High for many years.

A number of people and groups are planning to attend the annual. The Hancock Publishing House and many other groups are planning to attend the annual.

## WAVELAND WANDERINGS

The program was presented with a Waveland Wanderers' school play on this day. The program was presented with a Waveland Wanderers' school play on this day.

### FOOTBALL CHATTER

The Bay High Tigers, after tangle with the Lumberton team, will tangle with the Lumberton team of Hattiesburg Thursday night at St. Stanislaus field. Game time will be 8:00. The Tigers should be at full strength for this week's encounter and will be trying for an upset victory similar to the one last year in Hattiesburg when the Tigers spoiled the "Demons" Homecoming with a 21-0 victory.

The Tigers came out of last week's losing encounter with Lumberton in good shape except for a few minor injuries, and everyone should be in trim for the Demons.

Billy James who saw practically no action against Lumberton, like to a bruised elbow, will be ready for action and will be sharing QB duties with Vernon Parker who did a fine job last week in his first attempt to play under the center.

Granison Sellier received a bruised muscle in his back last week, but he should be in good shape Thursday night.

Next week the Tigers tangle with the highly regarded Long Beach team, coached by Lance Lumpkin. After the Long Beach game the Tigers are planning to have a big "Hill Billy" dance in the Youth Center. Everyone is invited and asked to bring their friends. The proceeds of this dance will be used for buying award jackets for the Bay High Tigers. Admission: Stag 50c; couples 75c. A prominent "Hill Billy" band will play for the dance.

## ARMY DISCLOSES RESERVISTS TO SERVE 2 YEARS

Washington—An Army spokesman said there are no plans to release or organize reservists sooner than the 24 month active duty term specified in the Universal Military Training and Service (UMTS) act.

He spelled out the Army's reserve release plans as follows: All organized reservists will serve 24 months. The only exceptions, he said, will be enlisted men whose extended enlistments expire before 24 months. They will be released on that earlier date and have no further reserve obligation.

Enlisted veterans and non-veterans called involuntarily from the volunteer and inactive reserve will be released by this Dec. 20.

Enlisted veterans called voluntarily from the volunteer and inactive reserve will be released after 16 months service or when their extended enlistments expire, whichever is sooner.

Officer veterans called either voluntarily or involuntarily from the volunteer or inactive reserve may apply for release after 17 months service since the Korean outbreak.

Officer non-veterans will serve 24 months, whether called voluntarily or involuntarily.

The Army spokesman said a veteran for these purposes is a man who served 12 months or more on active duty between Pearl Harbor and Sept. 2, 1945.

He said all enlistments which expired before June 30, 1952, have been extended 12 months from date of expiration but no man's enlistment may be extended more than once unless he consents.

### MANUFACTURERS TOLD METAL ALLOTMENT APPLICATIONS DUE

Manufacturers who use steel, copper or aluminum in their products who wish to keep in operation next year will have to file with the War Relocation Authority their applications for the first quarter of 1952 by Oct. 25.

All manufacturers who have not filed previously for an allotment should make their applications of their production for each quarter of 1952 as early as possible. The War Relocation Authority is now accepting applications for the first quarter of 1952.
